

IF YOU HAVE CHILDREN, THERE'S MONEY ON THE TABLE.

**THE AMERICAN RESCUE PLAN  
PROVIDES UP TO \$300/MONTH  
FOR ALMOST EVERY CHILD.**

**HERE'S HOW TO GET IT.**

Starting July 15, the new Child Tax Credit will deliver up to \$300/month for each child in an eligible household. That's up to \$3,600 this year -- per child!

If you already filed your taxes, you're set.  
Just check your bank statement or mailbox. The money will arrive.

But, if you didn't file your taxes (maybe you didn't owe any money), don't worry. There's an easy tool to help you. Don't leave cash on the table.
